Please arrive early afternoon. Mid-morning or early afternoon best for departures. If in doubt about timing contact [info@hopecorps.net](mailto:info@hopecorps.net) .

HC students must not arrive before the start date nor stay longer after the departure date. If you cannot get in on time, please notify the ITW Student Director ([ITW@hopecorps.net](mailto:ITW@hopecorps.net)).

Safety is first priority. We suggest that all layovers take place in the USA instead of a foreign country (San Salvador, El Salvador but especially San Pedro Sula or Tegucigalpa, mainland Honduras). This recommendation is especially important for students under the age of 25 and/or those traveling alone.

**Arrivals:**

Hope Corps personnel will pick you up at the airport. Notify [ITW@hopecorps.net](mailto:ITW@hopecorps.net) if your flight is delayed.

**ELECTRICAL:**

Roatan runs on American voltage.

**TRAVELER'S HEALTH:**

Visit your doctor or local health clinic for advice for any recommended immunizations for Roatan, Honduras.
