ITW Travel Tips:

- Your arrival date to PI is going to be one day later than departure date. For example, if you are to arrive on Tuesday, your **departure from the the U.S will be Monday due to time difference.**
- Exchange at least \$20 in PHP (Peso) currency through your Bank in the U.S or at the airport
- **Uber is very convenient and user friendly.** Note: sometimes the drivers do not add the tolls in the Uber price. Some do and some don't. You should simply ask, "What do I owe?"
- If you don't use Uber, GRAB transfer is available right outside the terminal. You can ask any airport attendant for its location.
- If you fly in late at night, do not travel to the training center unless you buddy up. **Wait until daylight.**
- You will need to bring twin sheets: fitted and top sheet, along with pillow. You can use your travel pillow to conserve space. One towel and any other personal items you may need.
